

2 HOUR PAMPER PACKAGE

Discover for yourself why Hollywood stars like **Nicole Kidman** say they wouldn't walk down the red carpet without a Galvanic Facial!

The Nu Skin ageLOC Galvanic Spa facial is being rated as the most effective facial in the world. Even cosmetic surgeons have commented about the amazing results of these treatments over surgery! An anti-ageing regime that decreases lines & wrinkles, increases collagen & elastin and reduces discolouration, sun damage, pore size, lines & wrinkles – guaranteed!

TREATED UNTREATED
(Results after 5 weeks)*

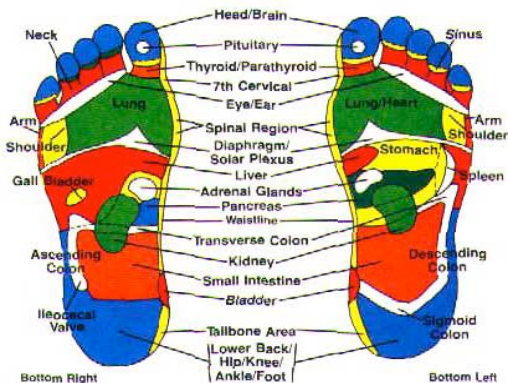

ageLOC GALVANIC TRANSFORMATION FACIAL

Firms and restores elastin and collagen in the face, neck and throat area. One hour of luxurious pampering including the scientifically formulated ageLOC serum that will leave your skin looking and feeling silky smooth. People will notice the difference!

REFLEXOLOGY

1hour well-being treatment

Reflexology is one of the most relaxing and rejuvenating body treatments which is why **Princess Diana** chose it several times a week! It balances the whole biological system. It gives a sense of well-being at all levels by stimulating circulation, strengthening the immune system and relaxing the nervous system. Reflexology reduces stress and tension from your whole body and facilitates a natural healing process returning the body to homeostasis.
